The publishers are gratified in being able at last to answer the thousand inquires for the new Novel by Marion Hariand, and it alone gratified with the fact of a new book, but in being able to add their conviction that it is far in advance of any of the former effects of the accomplished authories, notwithstanding the unprecedented success of her published volumes, all of which have been republished in England, France, and Germany. Inceed, no other American authoress has the honor of a republication in the Leipzig is uses of Alphonse Dur, which emblaces Bryant, Longfellow, Hawthorne, Prescott, and Poe.

Of the success of Marion Harland's "Alone," "Hidden Path," and "Mose-lide," in this country, it is hardly necessary to speak.

POYT'S HIAWATHA HAIR RESTORATIVE is warranted in every instance to restore Gray Hair to its original color. It has been applied in thousands of cases in the orincipal cities of New-England, and has not failed in a single in stance to accomplish all that is claimed for it. No hair is so gray or so red but the Hiawatha will change it to a beautiful and life like brown and black. It is not an instantaneous dye which crocks, smuts and gives a dead black color to the hair; the patient having to submit to scaping, washing and sponding of the hair every time it is applied; nor is it a preparation of sulphur sugar of lead, ke, nor of any ingredients electrious to the hair or sim. It is an article requiring no prepara ion, no washing be fore or after using; it is applied in five minutes time, and with as little trouble as any ordinary article for the toilet.

"People who have used this preparation declare it is miracutous in its effects, and that it will perform all that it pretends to do"—[Ballou's Pictorial.

"Its saccess is wonderful, and we can only say we indorse all the preprietor says in regard to it."—[Boston Journal.
